Palm Beach County Republican Party Challenges All Florida Candidates and Political Parties to Condemn the Violent Attack on Rubio Campaign Volunteer

West Palm Beach, FL – Today, Michael Barnett, the Palm Beach County Republican Executive Committee Chairman, called on all Florida political parties and candidates to aggressively condemn the violent attack on U.S. Senator Marco Rubio's campaign volunteer. On the evening of October 23, a young Florida Republican canvasser wearing a Marco Rubio T-shirt and a Ron DeSantis hat was brutally attacked in a Hialeah, FL neighborhood by Democrat activists. The Palm Beach County Republican Executive Committee Board of Directors unanimously passed a resolution that requests all Florida political parties and candidates to condemn the attack.

Barnett stated, "We simply cannot allow this violent attack to be tolerated on an American citizen who is exercising his political freedom to campaign for a candidate of his choice. We call on every political party organization and all political candidates in the State of Florida to join us in condemning the unacceptable violence. We send out best wishes to the young man who was attacked and his family. We pray for his full recovery."
